Text: Exploring Our World (When needed)

Course Title: World Geography, History and Culture: Patterns of
Continuity and Change
The Great Global Convergence (1400-1800) to Present Day

Description: Seventh grade Social Studies is a study of the world from a geographical, historical, and cultural perspective. The new course allows for a comparative exploration of cultures all across the globe with a particular focus on conflict and cooperation, economic development, population shifts, political thought and organization, cultural values and beliefs and the impact of environment of regions in the modern world.

Words from Mr. Ford

This class is designed to inform students of the history that has gone before them. We will discuss the curriculum requirements and current issues going on through out the world today. We will have rigorous lessons and test to keep the children sharp, prepared and ready for higher levels of learning after my class is completed. All Students who receive lower than a 70 will have the opportunity to retest.

Grading: 10 point grading scale

A- 100-90

B- 89-80

C- 79-70

D- 69-60

F 59-0

- If a student does not turn in an assignment the student has 2 days to turn in all make up work. After 2 days it will become a zero in the gradebook.
