

The Parent Advisory Board will serve a number of distinct roles for our School Community which include:

- Serving as part of the PTA Executive Board that advises on matters of the PTA's function within the school and in the community.
- Selecting a middle school and a high school parent representative to serve on the School Improvement Team and represent the interests of the Advisory Board.
- Making recommendations to the School Improvement Team as needed, in order to improve and enhance vital areas of the school.
- Helping to review and confirm the Parental Involvement Policy & Plan
- Acting as an advocate for the school's Parent Involvement Plan

Parent Advisory Board members should be available to attend monthly meetings and must be dues-paying members of the RRCS PTA.
